On Friday 8/31/18 I was on a police detail at Tucker Field when I was made aware of a [REDACTED] in the visitor side bleachers. I responded to the area and observed a female, later identified as Rena Fleury, [REDACTED] Jonathan Depault and another female were [REDACTED]. Depault said that Fleury [REDACTED]. [REDACTED] had already been summonsed and was en route. Depault was [REDACTED]
[REDACTED]

I spoke with Fleury's fiancee Kevin White. White said that Fleury [REDACTED] and that before the game she had some chicken and [REDACTED]). Depault said that he heard a thud and then noticed [REDACTED]

On Friday, 08/31/18, Lt. Iozzi and I were working as detail officers at Tucker Field for a CHS football event. The detail began at 1800. I noted that the outside temperature at that time was approximately 71 degrees farenheit. The lay out of the field includes an entry gate, concession stand, bleachers and a stand alone bathroom facility. Lt. Iozzi and I were posted on opposite field ends of the "home" team side. This provides for the best possible response to the entry gate and concession, where cash is collected and closest to the parking lot incase of any incidents just outside the field. There is a smaller, stand alone bleacher stand on the opposite side of the field (across from the main bleachers). The bleachers on the opposite side are closer to the tree line and are also utilized as the "visitor" side.

At approximately 1933, the temperature had gone down to approximately 67 degrees farenheit and the sun had set. I was posted near the front gate when dispatch advised over the air that they received a 911 call for a person who was having [REDACTED] on the "visitor" side, in the bleachers. I made my way over to the area and observed a female who was later identified as Rena Fleury [REDACTED] who had identified himself as [REDACTED]. Ms. Fleury appeared to be at the top of the bleachers and [REDACTED]

[REDACTED]. A male who identified himself as Kevin White approached me and stated that Rena was his Fiance and that they were watching her son play football (Woonsocket HS Football). I asked Kevin if Rena had

[REDACTED] Lt. Iozzi had approached and I filled him in. At that time, I was of the impression that Rena was [REDACTED]. Due to the construction of the metal bleachers including the hand rail that Rena was in close proximity to, I felt I would have been in the way and that it was best to continue speaking with Kevin [REDACTED] As I saw them arriving, I advised Lt. Iozzi that I would meet them at the entry gate and escort them to Rena. [REDACTED]

[REDACTED] Lt. Iozzi maintained crowd control.

Note: I never came in close contact with Rena as I felt that I would have hindered [REDACTED]

[REDACTED] As I noted, the construction of the bleachers and due to Rena being located at the very top of the bleachers, as well as in close proximity to a fixed metal railing, there was not sufficient space for me to get closer.

On 09/05/18, a request for the 911 recording was sent to RI E-911 via fax. I also conducted an online search for images of Tucker Field, specifically the Football field/track and the bleachers. I located several photos including the bleachers. These images were printed out as a reference for [REDACTED]. These images were NOT taken the night of the incident. These are not evidentiary in quality.
